“ I worked at Met-Ed when Tim first joined with the company and feel fortunate to have known him during those times until 1997. Tim was a very kind individual and I was always glad to be around him as a co-worker. I know he loved his kids and spoke about that fact often. My prayers are with everyone in your family at this time.

“ To the Little family,
Remembering Tim from York Catholic, he was always a nice guy. From time to time I'd bump into him over the years and we would chat for a bit. I'm very sorry for your loss and my thoughts and prayers are with you all at this difficult and sad time.

“ From working with him, he went above and beyond. Hard worker, union steward and fighter for his co-workers, Tim left some big shoes to fill. I will miss his mischievous smile, his cheery "good morning", the poinsettias' at Christmas and the plants he gave in between if I fussed at him for something he did (or didn't do.), the apples, the soft pretzels, always wanting to share whatever he brought into the office. He spoke often of his grandchildren, sharing pictures of time spent with them. From appearances this was a favorite part of his life. He left a huge empty hole at Met-Ed in Hanover. He will be sorely missed.

Many prayers to his family.
